

Quinebarge Times – June 2007

Summer, Summer, Summertime!!!
YEAH! It's just about here! Soon enough the campers will be arriving. Please read over this newsletter to refresh on some of camps policies and rules for the summer!!! There are a few that have changed just a little, so read carefully!! We'll see you soon!!

-Nancy

Who hasn't signed up for camp yet?

Do you know someone who hasn't signed up for camp yet this year? Give them a call, send them an e-mail, invite them to chat on-line and tell them spaces are filling up fast!!

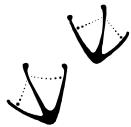

Medical Forms

Great news... if you had a green medical form filled out last year (2006) for camp, you are all set for this year. New green medical forms will need to be completed by all campers every other year.
REMINDER: All new campers need medical forms and physicals this year(or if one was mailed to you).

\$\$ SAVE \$\$ SAVE \$\$ SAVE \$\$

Do you know someone who might enjoy spending some of their summer at Camp Q?
Refer a friend to camp and receive \$500 off your tuition to Camp Quinebarge! Your account will be credited once your friend sends in their registration!

Don't forget

Camper drop off: Sunday's 2-4 pm
Camper pick up: Saturday's 9-11 am
I know campers will be anxious to get to camp earlier and will want to stay late, but **PLEASE** respect these times!!!

A few reminders as camp gets closer...

- **ABSOLUTELY** no cell phones with campers!! If, for some reason, you just **MUST** bring your cell phone to camp with you, we will keep it safe in the camp office. We will allow you to use it 1 time a week to call home if you wish (and if you get service)! Parents, please help to see that your child does not have their cell phone with them! We will contact you if the need arises!
- **DROP-OFF** at camp is between 2-4 pm on the Sunday of the week the camper is registered for.
- **PICK-UP** at camp is between 9-11 am on the Saturday of the week the camper is registered to leave.
- Any **medication** brought to camp by a camper must stay with the camp nurse and be labeled in its original bottle!!!!
- **LABEL EVERYTHING!!! PLEASE!!!!!!** Sharpie markers work great!!!!!! LABEL EVERYTHING!!!!!!

Pre-Addressed and Stamped Envelopes!!!

Please be sure that each camper comes to camp with pre-addressed and stamped envelopes. Campers are required to write home at least once, possibly twice a week. It is much easier for the camper to do this when they have the envelopes all done!!

CAMP Q SWEATSHIRTS

We received many orders for Camp Quinebarge sweatshirts!! I can't wait to see all of those hoodies roaming around camp!!
If you forgot to send in your order, you can still get in on the action. Go to the website and print out an order form. Another order will be going in before camp starts so you can still get yours for camp!!
