and making everlasting friendships.*

Job Description Woodshop Counselor

Classification: Exempt (Seasonal)

Area: Arts

Reports to: Camp Directors

Dates: Per Offer Letter

Camp Quinebarge

Camp Quinebarge is a traditional, overnight boys and girls summer camp lying on 70 acres of forest and over 1,200 feet of lakefront on Lake Kanasatka in Moultonborough, NH. Since 1936, Camp Quinebarge has fostered an environment for children to learn about themselves and the world around them, try new activities and learn new skills, have fun, and make friendships that last a lifetime.

At Quinebarge, counselors lead program activities as well as live in and supervise their assigned cabin of campers. During activity periods, counselors are responsible for their activity areas and for the group of campers assigned for that hour; most other times, they are with their cabin. Senior staff spend some of their time in the office, but most of their day is spent out and about, supervising activities or cabin time, resolving issues, and support counseling staff.

Woodshop Counselor

Woodshop teaches campers the skills and techniques to safely produce wood projects, empowering them with the ability to create something.

Past projects have included but aren't limited to small cutouts, plaques, puzzles, birdhouses, shelves, benches, piggy banks, toy trains and cars, cutting boards, and board games.

Woodshop Job Functions

- Develop and deliver a Wood Shop that is safe and appropriate for the age and ability of our campers.
- Help campers plan and design projects and oversee and guide campers during the cutting, sanding, assembly, painting, and finishing of projects.
- Ensure that camp staff and campers know and follow safety and educational procedures.
- Assist in the management and care of the physical facilities and equipment in the Wood Shop program area.

Equipment used includes wood, power tools (scroll saw, drill press, etc.), hand tools (coping saw, hammers), sandpaper, pencils, paint brushes, paint, etc.

Cabin Duties

Counselors will be assigned to live in a cabin with 4-12 campers and one or more co-counselors. Cabins are the very base of life at Camp; campers live in their cabins with children of their own age and it is where most bonding occurs. A cabin counselor is more than a supervisor or babysitter; he creates a bond with his cabin, mentors and inspires campers, and handles minor issues that arise. A camper spends more time with his cabin counselors than with any other adult on camp, and can be most impacted by him for that reason. We want to create friendships, foster growth and independence, and make sure our campers have the best summer experience possible.

Cabin counselors lead all aspects of cabin life, including morning cabin cleanup, bedtime routine, and nightly Candle Pass, as well as spending time with their campers during Rest Period and special events. Each cabin goes on at least one adventure per session - a trip and/or campout on camp or offsite, where cabins laugh, sing, tell stories, and become even closer. In the unlikely event that a counselor is assigned to staff housing, she is still assigned to a cabin and is expected to fully participate as a member of that cabin, only sleeping elsewhere.

Cabin Counselor Job Functions

- Participate enthusiastically in all camp activities, planning, and leading activities as assigned.
- Supervise, mentor, and leading a cabin of 4-12 campers.
- Mentor any CIT assigned to the cabin.
- Perform other general counselor duties, including but not limited to meal supervision, Night Duty, assisting with trips, and other duties as they arise.

Other duties may arise and be assigned by the Directors or other Senior Staff. These may include planning or setting up for special events, acting as a secondary leader for small offsite trips, covering other program or cabin areas, and more.

Qualifications and Abilities

- Current certification in woodworking instruction or documented training and experience.
- Significant organized experience in one or more of our key sports activities.
- Able to perform physical aspects of the position, including:
 - Work long hours in an active Arts Program.
