and making everlasting friendships.*

Job Description Horseback Riding Counselor

Classification: Exempt (Seasonal)
Program Area: Horses

Reports to: Camp Director
Dates:

Camp Quinebarge

Camp Quinebarge is a traditional, summer, overnight boys and girls summer camp lying on 65 acres of forest and over 1,200 feet of lakefront on Lake Kanawatka in Moultonborough, NH. Since 1936, Camp Quinebarge has fostered an environment for children to learn about themselves and the world around them, try new activities and learn new skills, and make friendships that last a lifetime.

At Quinebarge, counselors lead program activities as well as live in and supervise their assigned cabin of 4-8 campers. During activity periods, counselors are responsible for their activity areas and for the group of campers assigned for that hour; most other times, they are with their cabin.

Horseback Riding

Horseback riding gives campers the opportunity for more than just a pony ride. Campers who are signed up for the program ride every single day and spend their time out of the saddle learning about horse care and stable management. Beyond simply loving the horses, campers are empowered by trying something that may be new and a bit scary, and always leave more confident than before.

Job Functions:

- With the Horseback Riding Director, develop and deliver a horse program that is appropriate for the ages and abilities of the campers.
- Ensure that camp staff and campers know and follow safety and educational procedures.
- Assist in the care and maintenance of the horses and related equipment.

Equipment used includes horses (4-6), tack, helmets, grooming and cleaning gear, horse feed and related equipment, and mounting block/steps.

Cabin Counselor

Cabins are the very base of life at Camp; campers live in their cabins with children their own age and it is where most camp bonding occurs. A cabin counselor is more than a supervisor or babysitter; he creates a bond with his cabin, mentors and inspires his campers and handles minor issues that arise. A camper spends more time with his cabin counselors than with any other adult on camp, and can be most impacted by him for that reason. We want to create friendships, foster growth and independence, and make sure our campers have the best summer experience possible.

Cabin counselors lead all aspects of cabin life, including morning cabin cleanup, bedtime routine, and candle pass daily, as well as spend time with their campers during rest period and special events. Each cabin goes on at least one weekly adventure – a trip and/or a campout in tents or on forest platforms, where cabins laugh, sing, tell stories, and become even closer.

Job Functions:

- Participate enthusiastically in all camp activities, planning and leading activities as assigned.
- Supervising, mentoring, and leading a cabin of 4-8 campers.
